“ Michelle was one of the sweetest kindest person I ever known. I met her while she was working at the Heart of Ga. She was so good with my parents and they loved her as she did them. She sat with My Mama the night before she passed the next morn. It was Michelle that called me to the Hospital the morning of moms passing. She is up there with so many souls she watched over. Prayers for her family and many friends she has. She will be missed on earth but loved by so many in Heaven. Yes Heaven really gained a Angel today 🙏❤️

“ DeeDee was one of the sweetest friends I had. Someone told me one time you know you really have a great friend when you can go for months and not talk and when you see each other start talking like you never missed a beat. That was exactly the way we were. I'm going to miss her so much. Rest In Peace sweet Angel.
