“ I am so sorry to hear about Mike. It seems like yesterday that the two of you came it to my world of transplant. It was such a joy, and honor, to have been a part of both of your lives for so many years. Even after I left, I thought of you both often. My thoughts and prayers are with you and your family.

“ Thank you so much, Melissa. You know how much we loved you and depended on you. You were always there for us when we called on you and you made the world of transplant easier to go through. We missed you when you left the team and asked about you often. Emory University Hospital and the Transplant Team was a Godsend to us. Thank you for your thoughts and prayers, and thank you for your message. They mean a lot to me right now. I wish you the best and hope to get to see you again one day. YOU ARE ONE OF A KIND, GIRLFRIEND! Can't you hear Mike as you would come into our room say "Hey girlfriend, what you been up to." My love to you and your family! Ann
