“ I met Ricky when he came into my pawn One day and I was on the phone with one of my reps and I mentioned a gun and he said meme meme me I want one of them and I ordered it for him and he was ecstatic over that I was able to get the gun we have done several dealings after that and he was a great man he worked on my truck also and I was very saddened to read this morning the passing of him I sent him a message last Saturday and he responded to me on 30 August and he told me then in a text message he was in the hospital I sent him a couple of pictures just to cheer him up and he responded to them and then that was the last time I spoke to him he will be missed I'm so sorry for your loss to the family my deepest sympathy
